A Typical Meeting

What can you expect when you attend one of our breakfast meetings? Well, while we often have special items and events, the core of our meeting stays the same. We're all there to understand more about each other's businesses, and we're all there to share real business opportunities. A typical agenda might look like this:

-  **6:45 – Arrive.** Your chance to meet and chat with other members of our association.
-  **7:00 – Breakfast is served.** You will have a selection of cooked items, toast, cereal, fruit and yoghurt.
-  **7:15 – Meeting begins.** The current Association Director will introduce the other key people and roles within the association.
-  **Individual one-minute presentations.** All the associates will take a turn to explain a little about their business, and how the other associates could help them this week. All visitors will also get a chance to tell us about their business. This is completely optional.
-  **Business Opportunity Sharing.** At this time we share our contributions to the group. Opportunities are passed between the associates, and you may also share business opportunities that may have come to light as you've learnt about each associate's business.
-  **8:30 – Meeting close.**

We welcome visitors to come along to any of our meetings. You may be interested in networking with a group of local businesses, in joining us, or even just interested in meeting a local group of reliable trades and businesses; all are equally welcome.

There is a fee charged for each meeting. We do not charge anything to join our group – we are a not-for-profit association. But associates pay £50 per month towards the cost of the breakfasts and the group marketing and promotion. Visitors who would like to only attend a meeting rather than join the group can pay £15 on the door.

If you would like to come along, we'd appreciate it if you let us know in advance, just so we can let the venue know numbers for breakfast. Contact us via our website:
